

God has blessed each of us with unique gifts, talents, and passions to impact our community and world. Here at Christian Center Church, we aim to help you put those gifts to use by volunteering for one of our many ministries.

Check out the many options to serve. Once you're ready, you can send us an email, call the office, or fill out one of the "Get Involved" cards inside the church.

## **Find your place to serve**

### **Greeters**

Greet our church family and guests as they arrive for service, hand out our weekly bulletin, and answer questions they may have or direct them to our connection desk.

### **Sunday Worship Team**

Love to sing or play an instrument? The worship team may be for you. They meet weekly to prepare for the next Sunday's services. Jon Kozik will be glad to talk to you.

### **Friday Night Worship Team**

This team practices on Thursday evenings and leads us in worship during our Friday Night services. Brett Lincoln leads this group.

### **Connection Desk**

Is a place to greet our families with children helping them check their children into their class. You will also have the opportunity to talk with new guests about our church, give them a tour, and pass out the visitor packet.

### **Drama Team**

Enjoy acting? This would be a great place to help out with skits during sermons, vacation Bible school, and many other opportunities.

### **Meal Train Ministry**

This ministry plan is used to organize meals for our church family who may have had a baby, surgery, etc. You can sign up to be on a list to possibly make a dinner or purchase a gift card to a local restaurant. Ashley and Autumn love to hear from new volunteers.

## **Go Team**

The Go Team works with local missionaries as well as missionaries around the world. They offer them up in prayer, minister to them with encouragement, but provide them with financial support.

## **Outreaches/Events**

The Go Team works with local missionaries as well as missionaries around the world. They offer them up in prayer, minister to them with encouragement, but provide them with financial support.

**Media Team** Like to work with technology? This is the place for you to run the soundboard, camera, and/or computer during the weekly services. We are happy to train you.

## **Grounds Keeping**

Love being outside? We could use your help with cutting the grass, weed whacking, pulling weeds, and shoveling snow.

## **House Keeping**

We are always looking for people who have extra time to lend a hand around the church, from cleaning to painting and other odds and ends. We have several workdays throughout the year.

## **Decorating Team**

Oh what fun we have decorating the church for Christmas each year. We meet together in November to decorate and again in January to take the decorations down. We always have fun together.
